Can someone get a copy to Boyd.

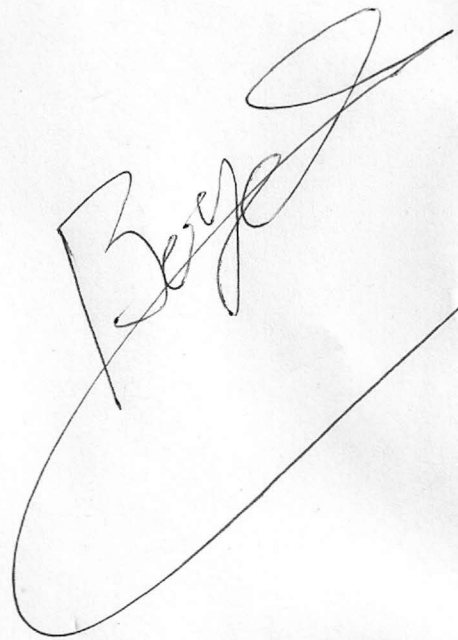

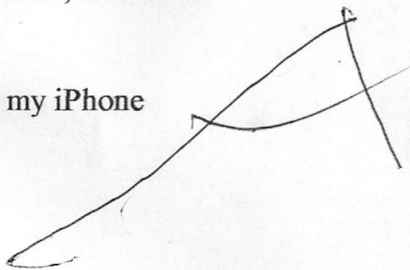

Hello,

We will need to pay UPS for the printing and for stamps to send out the newsletter and invoices. So I want to get an approval from the board to write this check outside of a meeting.

Also--when and where are we meeting to put together the mailer?

I also vote to approve.

I thought we approved this already a few days ago.

Tom: Please print so we can bring these to the next meeting and make them part of the payment record.
