Hello All,

Attached is the bid from Kristi English. She will do all we need her to as well as quarterly and aging reports for a flat rate. I have a more detailed bid report somewhere but I am responding to the need to post outstanding balances in the newsletter.

Tom,

Please take this to Boyd and bring this AWM to the next meeting so we may enter it into the record.

If approved I can meet with Kristi this week. I already have the data files from Connie so there will be no lag.

Clifford Johnson

I approve the AWM to employ English Enterprises to perform bookkeeping services for HVPOA in accord with the estimate dated 03/03/2010.
