Hello Trustees:

I received a call from a person who wants to offer HVPOA a cash amount to settle our debt claim for lot E445. Here are the details.

Assessments owed: \$6700 (back assessments)
Amount offered: \$400

Meaning we would erase \$6300 due HVPOA and drop our lien.

I told the person I would present the offer to the Trustees for a yes/no vote. I confirmed what was owed to the association and how much he was offering.

My vote is NO. Please vote and email me.
