Howdy Neighbors,
We are all excited for Spring! That means Road Maintenance and Better Weather!

Here's a quick overview:

Ballot items: We congratulate our newly elected Trustees Angie Russell and Kurtis Zobell. Both the Budget and the Amendment proposal passed overwhelmingly. Thank you for Voting!

Statements: Enclosed is your current statement for 2016-2017, we are pleased to offer a 10% discount this year. If you are current or have become current on past dues. Take advantage of this discount. For this years dues only, past dues will not be discounted. Due date is June 15, 2016.

Road Maintenance: As of this newsletter Spring grading and road maintenance has begun, please let the road crew do their job. If you have questions or concerns talk to a board member and not the road crew.

Miscellaneous: The Board of Trustees are planning a Potluck-BBQ / Common Area Clean Up, in conjunction with the Members Meeting the end of July. At that time we will have Dumpsters available for residents to clean up, your ideas and suggestions are needed to help pull this event off.

Treasures Report: The Board of Trustees feel it is important to keep the Members informed as to your where your money is spent, you will find last years financial report on the back page.

Call for Candidates: We still have one vacancy to fill, which is a one year term. If you want to get involved and take your turn at service, please mail or email a candidacy letter 100 words or less to secretary@hideawayvalley.org. You must be current on your dues and a member of Hideaway Valley.

Next Board Meeting Notice:
When: May 26, 2016 at 5:00pm.
Where: Common Area, Hideaway Valley.

Off Road Vehicles: *The Board is still receiving a number of complaints regarding off road vehicles. Please respect each others property and stay off their property with your off road vehicles. All vehicles need to obey the 25 mph speed limit. We would also like to ask that everyone help us keep our neighborhood litter free.*

**We'd like to thank everyone who has helped the Board so far this year. We have a wonderful community here and we can all work together to make this the best community in Utah. We are here to serve this community. Hope to see you soon.
Thank you Angie Russell**
