

Letter of Resignation

After long amounts of consideration, I have made the decision to resign as the secretary for the Hideaway Valley Property Owners Association. I have decided that it is in my best interests as well as the interests of the lot owners of the association. My business in Salt Lake combined with gas prices and poor timing have all played a factor in this decision. I have not been able to be present at many of the board meetings, and have not been able to help much with many of the decisions that have been made.

I sincerely apologize, but I think that this decision is best for all involved at this time. I would like to thank all of the members who cast their vote for me and also the other board members for their support. I wish all the best of luck in making Hideaway Valley the best it can be!

Thank you,

A handwritten signature in cursive script, appearing to read "Dustin McKinney".

Dustin McKinney

Secretary
